

Rebus Puzzles #1

Enjoy some brain-teasing fun with this diverse collection of Rebus puzzles!

This activity is flexible and adaptable. I've used it with various levels of cognitive ability - all enjoyed the challenge and the group support in working out the answers.

What is a Rebus Puzzle?

Rebus puzzles use letters and pictures to cryptically represent a word, phrase or saying. They are sometimes known as Pictograms.

How to decipher?

Carefully consider:

- the **SIZE** and **color**
- the position and direction
- how many words are used

Good Luck!
